*1941 Fa
Agri Act*

NOTE: This is a correct copy, as finally passed, of the parts of the Farm Act to be administered by the U. S. Department of Agriculture.

FARM ACT

Title I of H.R. 3835

To relieve the existing national economic emergency by increasing agricultural purchasing power, to raise revenue for extraordinary expenses incurred by reason of such emergency, to provide emergency relief with respect to agricultural indebtedness, to provide for the orderly liquidation of joint-stock land banks, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.

TITLE I - AGRI CULTURAL ADJUSTMENT

Declaration of Emergency

That the present acute economic emergency being in part the consequence of a severe and increasing disparity between the prices of agricultural and other commodities, which disparity has largely destroyed the purchasing power of farmers for industrial products, has broken down the orderly exchange of commodities, and has seriously impaired the agricultural assets supporting the national credit structure, it is hereby declared that these conditions in the basic industry of agriculture have affected transactions in agricultural commodities with a national public interest, have burdened and obstructed the normal currents of commerce in such commodities, and render imperative the immediate enactment of title I of this Act.

Declaration of Policy

Sec. 2. It is hereby declared to be the policy of Congress--

- (1) To establish and maintain such balance between the production and consumption of agricultural commodities, and such marketing conditions therefor, as will reestablish prices to farmers at a level that will give agricultural commodities a purchasing power with respect to articles

that farmers buy, equivalent to the purchasing power of agricultural commodities in the base period. The base period in the case of all agricultural commodities except tobacco shall be the pre-war period, August 1909-July 1914. In the case of tobacco, the base period shall be the post-war period, August 1919-July 1929.

(2) To approach such equality of purchasing power by gradual correction of the present inequalities therein at as rapid a rate as is deemed feasible in view of the current consumptive demand in domestic and foreign markets.

(3) To protect the consumers' interest by readjusting farm production at such level as will not increase the percentage of the consumers' retail expenditures for agricultural commodities, or products derived therefrom, which is returned to the farmer, above the percentage which was returned to the farmer

in the pre-war period, August 1909-July 1914.

PART I - COTTON OPTION CONTRACTS

Sec. 3. The Federal Farm Board and all departments and other agencies of the Government, not including the Federal intermediate credit banks, are hereby directed--

(a) To sell to the Secretary of Agriculture at such price as may be agreed upon, not in excess of the market price, all cotton now owned by them.

(b) To take such action and to make such settlements as are necessary in order to acquire full legal title to all cotton on which money has been loaned or advanced by any department or agency of the United States, including futures contracts for cotton or which is held as collateral for loans or advances and to make final settlement of such loans and advances as follows:

(1) In making such settlements with regard to cotton, including operations to which such cotton is related, such cotton shall be taken over by all such departments or agencies other than the Secretary of Agriculture at a price or sum equal to the amounts directly or indirectly loaned or advanced thereon and out-

standing, including loans by the Government department or agency and any loans senior thereto, plus any sums required to adjust advances to growers to 90 per centum of the value of their cotton at the date of its delivery in the first instance as collateral to the department or agency involved, such sums to be computed by subtracting the total amount already advanced to growers on account of pools of which such cotton was a part, from 90 per centum of the value of the cotton to be taken over as of the time of such delivery as collateral, plus unpaid accrued carrying charges and operating costs on such cotton, less, however, any existing assets of the borrower derived from net income, earnings, or profits arising from such cotton, and from operations to which such cotton is related; all as determined by the department or agency making the settlement.

(2) The Secretary of Agriculture shall make settlements with respect to cotton held as collateral for loans or advances made by him on such terms as in his judgment may be deemed advisable, and to carry out the provisions of this section, is authorized to indemnify or furnish bonds to warehousemen for lost warehouse receipts and to pay the premiums on such bonds.

When full legal title to the cotton referred to in (b) has been acquired, it shall be sold to the Secretary of Agriculture for the purposes of this section, in the same manner as provided in (a).

(c) The Secretary of Agriculture is hereby authorized to purchase the cotton specified in paragraphs (a) and (b).

Sec. 4. The Secretary of Agriculture shall have authority to borrow money upon all cotton in his possession or control and deposit as collateral for such loans the warehouse receipts for such cotton.

Sec. 5. The Reconstruction Finance Corporation is hereby authorized and directed to advance money and to make loans to the Secretary of Agriculture to acquire such cotton and to pay the classing, carrying, and merchandising costs thereon, in such amounts and upon such terms as may be agreed upon by the Secretary and the - - - - -

Reconstruction Finance Corporation, with such warehouse receipts as collateral security: Provided, however, That in any instance where it is impossible or impracticable for the Secretary to deliver such warehouse receipts as collateral security for the advances and loans herein provided to be made, the Reconstruction Finance Corporation may accept in lieu of all or any part thereof such other security as it may consider acceptable for the purposes aforesaid, including an assignment or assignments of the equity and interest of the Secretary in warehouse receipts pledged to secure other indebtedness. The amount of notes, bonds, debentures, and other such obligations which the Reconstruction Finance Corporation is authorized and empowered to issue and to have outstanding at any one time under existing law is hereby increased by an amount sufficient to carry out the provisions of this section.

Sec. 6. (a) The Secretary of Agriculture is hereby authorized to enter into option contracts with the producers of cotton to sell to any such producer an amount of cotton to be agreed upon not in excess of the amount of reduction in production of cotton by such producer below the amount produced by him in the preceding crop year, in all cases where such producer agrees in writing to reduce the amount of cotton produced by him in 1933, below his production in the previous year, by not less than 30 per centum, without increase in commercial fertilization per acre.

(b) To any such producer so agreeing to reduce production the Secretary of Agriculture shall deliver a nontransferable-option contract agreeing to sell to said producer an amount, equivalent to the amount of his agreed reduction, of the cotton in the possession and control of the Secretary.

(c) The producer is to have the option to buy said cotton at the average price paid by the Secretary for the cotton procured under section 3, and is to have the right at any time up to January 1, 1934, to exercise his option, upon proof that he has complied with his contract and with all the rules and

regulations of the Secretary of Agriculture with respect thereto, by taking said cotton upon payment by him of his option price and all actual carrying charges on such cotton; or the Secretary may sell such cotton for the account of such producer, paying him the excess of the market price at the date of sale over the average price above referred to after deducting all actual and necessary carrying charges: Provided, That in no event shall the producer be held responsible or liable for financial loss incurred in the holding of such cotton or on account of the carrying charges therein: Provided further, That such agreement to curtail cotton production shall contain a further provision that such cotton producer shall not use the land taken out of cotton production for the production for sale, directly or indirectly, of any other nationally produced agricultural commodity or product.

(d) If any cotton held by the Secretary of Agriculture is not disposed of under subsection (c), the Secretary is authorized to enter into similar option contracts with respect to such cotton, conditioned upon a like reduction of production in 1934, and permitting the producer in each case to exercise his option at any time up to January 1, 1935.

Sec. 7. The Secretary shall sell the cotton held by him at his discretion, but subject to the foregoing provisions: Provided, That he shall dispose of all cotton held by him by March 1, 1936: Provided further, That the Secretary shall have authority to enter into additional option contracts for so much of such cotton as is not necessary to comply with the provisions of section 6, in combination with benefit payments as provided for in part 2 of this title.

Part 2—Commodity Benefits

General Powers

Sec. 8. In order to effectuate the declared policy, the Secretary of Agriculture shall have power—

(1) To provide for reduction in the acreage or reduction in the production for market, or both, of any basic agricultural commodity, through agreements with producers or by other voluntary methods,

and to provide for rental or benefit payments in connection therewith or upon that part of the production of any basic agricultural commodity required for domestic consumption, in such amounts as the Secretary deems fair and reasonable, to be paid out of any moneys available for such payments. Under regulations of the Secretary of Agriculture requiring adequate facilities for the storage of any nonperishable agricultural commodity on the farm, inspection and measurement of any such commodity so stored, and the locking and sealing thereof, and such other regulations as may be prescribed by the Secretary of Agriculture for the protection of such commodity and for the marketing thereof, a reasonable percentage of any benefit payment may be advanced on any such commodity so stored. In any such case, such deduction may be made from the amount of the benefit payment as the Secretary of Agriculture determines will reasonably compensate for the cost of inspection and sealing, but no deduction may be made for interest.

(2) To enter into marketing agreements with processors, associations of producers, and others engaged in the handling, in the current of interstate or foreign commerce of any agricultural commodity or product thereof, after due notice and opportunity for hearing to interested parties. The making of any such agreement shall not be held to be in violation of any of the antitrust laws of the United States, and any such agreement shall be deemed to be lawful: Provided, That no such agreement shall remain in force after the termination of this Act. For the purpose of carrying out any such agreement the parties thereto shall be eligible for loans from the Reconstruction Finance Corporation under section 5 of the Reconstruction Finance Corporation Act. Such loans shall not be in excess of such amounts as may be authorized by the agreements.

(3) To issue licenses permitting processors, associations of producers, and others to engage in the handling, in the current of interstate or foreign commerce, of any agricultural commodity or product thereof, or any competing commodity or product thereof.

Such licenses shall be subject to such terms and conditions, not in conflict with existing Acts of Congress or regulations pursuant thereto, as may be necessary to eliminate unfair practices or charges that prevent or tend to prevent the effectuation of the declared policy and the restoration of normal economic conditions in the marketing of such commodities or products and the financing thereof. The Secretary of Agriculture may suspend or revoke any such license, after due notice and opportunity for hearing, for violations of the terms or conditions thereof. Any order of the Secretary suspending or revoking any such license shall be final if in accordance with law. Any such person engaged in such handling without a license as required by the Secretary under this section shall be subject to a fine of not more than \$1,000 for each day during which the violation continues.

(4) To require any licensee under this section to furnish such reports as to quantities of agricultural commodities or products thereof bought and sold and the prices thereof, and as to trade practices and charges, and to keep such systems of accounts, as may be necessary for the purpose of part 2 of this title.

(5) No person engaged in the storage in a public warehouse of any basic agricultural commodity in the current of interstate or foreign commerce, shall deliver any such commodity upon which a warehouse receipt has been issued and is outstanding, without prior surrender and cancellation of such warehouse receipt. Any person violating any of the provisions of this subsection shall, upon conviction, be punished by a fine of not more than \$5,000, or by imprisonment for not more than two years, or both. The Secretary of Agriculture may revoke any license issued under subsection (3) of this section, if he finds, after due notice and opportunity for hearing, that the licensee has violated the provisions of this subsection.

Processing Tax

Sec. 9. (a) To obtain revenue for extraordinary expenses incurred by reason of the national economic emergency, there shall be levied processing taxes as hereinafter provided. When the Secretary of Agriculture determines that rental or benefit payments are to be made with respect to any basic agricultural commodity, he shall proclaim such determination, and a processing tax shall be in effect with respect to such commodity from the beginning of the marketing year thence next following the date of such proclamation. The processing tax shall be levied, assessed, and collected upon the first domestic processing of the commodity, whether of domestic production or imported, and shall be paid by the processor. The rate of tax shall conform to the requirements of subsection (b). Such rate shall be determined by the Secretary of Agriculture as of the date the tax first takes effect, and the rate so determined shall, at such intervals as the Secretary finds necessary to effectuate the declared policy, be adjusted by him to conform to such requirements. The processing tax shall terminate at the end of the marketing year current at the time the Secretary proclaims that rental or benefit payments are to be discontinued with respect to such commodity. The marketing year for each commodity, shall be ascertained and prescribed by regulations of the Secretary of Agriculture: Provided, That upon any article upon which a manufacturers' sales tax is levied under the authority of the Revenue Act of 1932 and which manufacturers' sales tax is computed on the basis of weight, such manufacturers' sales tax shall be computed on the basis of the weight of said finished article less the weight of the processed cotton contained therein on which a processing tax has been paid.

(b) The processing tax shall be at such rate as equals the difference between the current average farm price for the commodity and the fair exchange value of the commodity; except that if the Secretary has reason to believe that the tax at such rate will cause such reduction in the quantity of the commodity or products thereof

domestically consumed as to result in the accumulation of surplus stocks of the commodity or products thereof or in the depression of the farm price of the commodity, then he shall cause an appropriate investigation to be made and afford due notice and opportunity for hearing to interested parties. If thereupon the Secretary finds that such result will occur, then the processing tax shall be at such rate as will prevent such accumulation of surplus stocks and depression of the farm price of the commodity. In computing the current average farm price in the case of wheat, premiums paid producers for protein content shall not be taken into account.

(c) For the purposes of part 2 of this title, the fair exchange value of a commodity shall be the price therefor that will give the commodity the same purchasing power, with respect to articles farmers buy, as such commodity had during the base period specified in section 2; and the current average farm price and the fair exchange value shall be ascertained by the Secretary of Agriculture from available statistics of the Department of Agriculture.

(d) As used in part 2 of this title --

(1) In case of wheat, rice, and corn, the term "processing" means the milling or other processing (except cleaning and drying) of wheat, rice, or corn for market, including custom milling for toll as well as commercial milling, but shall not include the grinding or cracking thereof not in the form of flour for feed purposes only.

(2) In case of cotton, the term "processing" means the spinning, manufacturing, or other processing (except ginning) of cotton; and the term "cotton" shall not include cotton linters.

(3) In case of tobacco, the term "processing" means the manufacturing or other processing (except drying or converting into insecticides and fertilizers) of tobacco.

(4) In case of hogs, the term "processing" means the slaughter of hogs for market.

(5) In the case of any other commodity, the term "processing" means any manufacturing or other processing involving a change in the form of the commodity or its preparation for market, as defined by regulations of the Secretary of Agriculture; and in prescribing such regulations the Secretary shall give due weight to the customs of the industry.

(e) When any processing tax, or increase or decrease therein, takes effect in respect of a commodity the Secretary of Agriculture, in order to prevent pyramiding of the processing tax and profiteering in the sale of the products derived from the commodity, shall make public such information as he deems necessary regarding (1) the relationship between the processing tax and the price paid to producers of the commodity, (2) the effect of the processing tax upon prices to consumers of products of the commodity, (3) the relationship, in previous periods, between prices paid to the producers of the commodity and prices to consumers of the products thereof, and (4) the situation in foreign countries relating to prices paid to producers of the commodity and prices to consumers of the products thereof.

MISCELLANEOUS

Sec. 10. (a) The Secretary of Agriculture may appoint such officers and employees, subject to the provisions of the Classification Act of 1923 and Acts amendatory thereof, and such experts as are necessary to execute the functions vested in him by this title; and the Secretary may make such appointments without regard to the civil service laws or regulations: Provided, That no salary in excess of \$10,000 per annum shall be paid to any officer, employee, or expert of the Agricultural Adjustment Administration, which the Secretary shall establish in the Department of Agriculture for the administration of the functions vested in him by this title. Title II of the Act entitled "An Act to maintain the credit of the United States

Government," approved March 20, 1933, to the extent that it provides for the impoundment of appropriations on account of reductions in compensation, shall not operate to require such impoundment under appropriations contained in this Act.

(b) The Secretary of Agriculture is authorized to establish, for the more effective administration of the functions vested in him by this title, State and local committees, or associations of producers, and to permit cooperative associations of producers, when in his judgment they are qualified to do so, to act as agents of their members and patrons in connection with the distribution of rental or benefit payments.

(c) The Secretary of Agriculture is authorized, with the approval of the President, to make such regulations with the force and effect of law as may be necessary to carry out the powers vested in him by this title, including regulations establishing conversion factors for any commodity and article processed therefrom to determine the amount of tax imposed or refunds to be made with respect thereto. Any violation of any regulation shall be subject to such penalty, not in excess of \$100, as may be provided therein.

(d) The Secretary of the Treasury is authorized to make such regulations as may be necessary to carry out the powers vested in him by this title.

(e) The action of any officer, employee, or agent in determining the amount of and in making any rental or benefit payment shall not be subject to review by any officer of the Government other than the Secretary of Agriculture or Secretary of the Treasury.

(f) The provisions of this title shall be applicable to the United States and its possessions, except the Philippine Islands, the Virgin Islands, American Samoa, the Canal Zone, and the island of Guam.

(g) No person shall, while acting in any official capacity in the administration of this title, speculate, directly or indirectly, in any agricultural commodity or product thereof, to which this title applies, or in contracts relating thereto, or in the stock or membership

interests of any association or corporation engaged in handling, processing, or disposing of any such commodity or products. Any person violating this subsection shall upon conviction thereof be fined not more than \$10,000 or imprisoned not more than two years, or both.

(h) For the efficient administration of the provisions of part 2 of this title, the provisions, including penalties, of sections 8, 9, and 10 of the Federal Trade Commission Act, approved September 26, 1914, are made applicable to the jurisdiction, powers, and duties of the Secretary in administering the provisions of this title and to any person subject to the provisions of this title, whether or not a corporation. Hearings authorized or required under this title shall be conducted by the Secretary of Agriculture or such officer or employee of the Department as he may designate for the purpose. The Secretary may report any violation of any agreement entered into under part 2 of this title to the Attorney General of the United States, who shall cause appropriate proceedings to enforce such agreement to be commenced and prosecuted in the proper courts of the United States without delay.

Commodities

Sec. 11. As used in this title, the term "basic agricultural commodity" means wheat, cotton, field corn, hogs, rice, tobacco, and milk and its products, and any regional or market classification, type, or grade thereof; but the Secretary of Agriculture shall exclude from the operation of the provisions of this title, during any period, any such commodity or classification, type, or grade thereof if he finds, upon investigation at any time and after due notice and opportunity for hearing to interested parties, that the conditions of production, marketing, and consumption are such that during such period this title cannot be effectively administered to the end of effectuating the declared policy with respect to such commodity or classification, type, or grade thereof.

Appropriation

Sec. 12. (a) There is hereby appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$100,000,000 to be available to the Secretary of Agriculture for administrative expenses under this title and for rental and benefit payments made with respect to reduction in acreage or reduction in production for market under part 2 of this title. Such sum shall remain available until expended.

(b) In addition to the foregoing, the proceeds derived from all taxes imposed under this title are hereby appropriated to be available to the Secretary of Agriculture for expansion of markets and removal of surplus agricultural products and the following purposes under part 2 of this title: Administrative expenses, rental, and benefit payments, and refunds on taxes. The Secretary of Agriculture and the Secretary of the Treasury shall jointly estimate from time to time the amounts, in addition to any money available under subsection (a), currently required for such purposes; and the Secretary of the Treasury shall, out of any money in the Treasury not otherwise appropriated, advance to the Secretary of Agriculture the amounts so estimated. The amount of any such advance shall be deducted from such tax proceeds as shall subsequently become available under this subsection.

(c) The administrative expenses provided for under this section shall include, among others, expenditures for personal services and rent in the District of Columbia and elsewhere, for law books and books of reference, for contract stenographic reporting services, and for printing and paper in addition to allotments under the existing law. The Secretary of Agriculture shall transfer to the Treasury Department, and is authorized to transfer to other agencies, out of funds available for administrative expenses under this title, such sums as are required to pay administrative expenses incurred and refunds made by such department or agencies in the administration of this title.

Termination of Act

Sec. 13. This title shall cease to be in effect whenever the President finds and proclaims that the national economic emergency in relation to agriculture has been ended; and pending such time the President shall by proclamation terminate with respect to any basic agricultural commodity such provisions of this title as he finds are not requisite to carrying out the declared policy with respect to such commodity. The Secretary of Agriculture shall make such investigations and reports thereon to the President as may be necessary to aid him in executing this section.

Separability of Provisions

Sec. 14. If any provision of this title is declared unconstitutional, or the applicability thereof to any person, circumstance, or commodity is held invalid the validity of the remainder of this title and the applicability thereof to other persons, circumstances, or commodities shall not be affected thereby.

Supplementary Revenue Provisions

Exemptions and Compensating Taxes

Sec. 15 (a) If the Secretary of Agriculture finds, upon investigation at any time and after due notice and opportunity for hearing to interested parties, that any class of products of any commodity is of such low value compared with the quantity of the commodity used for their manufacture that the imposition of the processing tax would prevent in whole or in large part the use of the commodity in the manufacture of such products and thereby substantially reduce consumption and increase the surplus of the commodity, then the Secretary of Agriculture shall so certify to the Secretary of the Treasury, and the Secretary of the Treasury shall abate or refund any processing tax assessed or paid after the date of such certification with respect to such amount of the commodity as is used in the manufacture of such products.

(b) No tax shall be required to be paid on the processing of any commodity by or for the producer thereof for consumption by his own family, employees, or household; and the Secretary of Agriculture is authorized by regulations, to exempt from the payment of the processing tax the processing of commodities by or for the producer thereof for sale by him where, in the judgment of the Secretary, the imposition of a processing tax with respect thereto is unnecessary to effectuate the declared policy.

(c) Any person delivering any product to any organization for charitable distribution or use shall, if such product or the commodity from which processed, is under this title subject to tax, be entitled to a refund of the amount of any tax paid under this title with respect to such product so delivered.

(d) The Secretary of Agriculture shall ascertain from time to time whether the payment of the processing tax upon any basic agricultural commodity is causing or will cause to the processors thereof disadvantages in competition from competing commodities by reason of excessive shifts in consumption between such commodities or products thereof. If the Secretary of Agriculture finds, after investigation and due notice and opportunity for hearing to interested parties, that such disadvantages in competition exist, or will exist, he shall proclaim such finding. The Secretary shall specify in this proclamation the competing commodity and the compensating rate of tax on the processing thereof necessary to prevent such disadvantages in competition. Thereafter there shall be levied, assessed, and collected upon the first domestic processing of such competing commodity a tax, to be paid by the processor, at the rate specified, until such rate is altered pursuant to a further finding under this section, or the tax or rate thereof on the basic agricultural commodity is altered or terminated. In no case shall the tax imposed upon such competing commodity exceed that imposed per equivalent unit, as determined by the Secretary, upon the basic agricultural commodity.

(e) During any period for which a processing tax is in effect with respect to any commodity there shall be levied, assessed, collected, and paid upon any article processed or manufactured wholly or in chief value from such commodity and imported into the United States or any possession thereof to which this title applies, from any foreign country or from any possession of the United States to which this title does not apply, a compensating tax equal to the amount of the processing tax in effect with respect to domestic processing at the time of importation: Provided, That all taxes collected under this subsection upon articles coming from the possessions of the United States to which this title does not apply shall not be covered into the general fund of the Treasury of the United States but shall be held as a separate fund and paid into the Treasury of the said possessions, respectively, to be used and expended by the governments thereof for the benefit of agriculture. Such tax shall be paid prior to the release of the article from customs custody or control.

Floor Stocks

Sec. 16. (a) Upon the sale or other disposition of any article processed wholly or in chief value from any commodity with respect to which a processing tax is to be levied, that on the date the tax first takes effect or wholly terminates with respect to the commodity, is held for sale or other disposition (including articles in transit) by any person, there shall be made a tax adjustment as follows:

(1) Whenever the processing tax first takes effect, there shall be levied, assessed, and collected a tax to be paid by such person equivalent to the amount of the processing tax which would be payable with respect to the commodity from which processed if the processing had occurred on such date.

(2) Whenever the processing tax is wholly terminated, there shall be refunded to such person a sum (or if it has not been paid, the tax shall be abated) in an amount equivalent to the processing tax with respect to the commodity from which processed.

(b) The tax imposed by subsection (a) shall not apply to the retail stocks of persons engaged in retail trade, held at the date the processing tax first takes effect; but such retail stocks shall not be deemed to include stocks held in a warehouse on such date, or such portion of other stocks held on such date as are not sold or otherwise disposed of within thirty days thereafter. The tax refund or abatement provided in subsection (a) shall not apply to the retail stocks of persons engaged in retail trade, held on the date the processing tax is wholly terminated.

Exportations

Sec. 17. (a) Upon the exportation to any foreign country (including the Philippine Islands, the Virgin Islands, American Samoa, and the island of Guam) of any product with respect to which a tax has been paid under this title, or of any product processed wholly or in chief value from a commodity with respect to which a tax has been paid under this title, the exporter thereof shall be entitled at the time of exportation to a refund of the amount of such tax.

(b) Upon the giving of bond satisfactory to the Secretary of the Treasury for the faithful observance of the provisions of this title requiring the payment of taxes, any person shall be entitled, without payment of the tax, to process for such exportation any commodity with respect to which a tax is imposed by this title, or to hold for such exportation any article processed wholly or in chief value therefrom.

Existing Contracts

Sec.18. (a) If (1) any processor, jobber, or wholesaler has, prior to the date a tax with respect to any commodity is first imposed under this title, made a bona fide contract of sale for delivery on or after such date, of any article processed wholly or in chief value from such commodity, and if (2) such contract does not permit the addition to the amount to be paid thereunder of the whole of such tax, then (unless the contract prohibits such addition) the vendee shall pay so much of the tax as is not permitted to be added to the contract price.

(b) Taxes payable by the vendee shall be paid to the vendor at the time the sale is consummated and shall be collected and paid to the United States by the vendor in the same manner as other taxes under this title. In case of failure or refusal by the vendee to pay such taxes to the vendor, the vendor shall report the facts to the Commissioner of Internal Revenue who shall cause collections of such taxes to be made from the vendee.

Collection of Taxes

Sec.19. (a) The taxes provided in this title shall be collected by the Bureau of Internal Revenue under the direction of the Secretary of the Treasury. Such taxes shall be paid into the Treasury of the United States.

(b) All provisions of law, including penalties, applicable with respect to the taxes imposed by section 600 of the Revenue Act of 1926, and the provisions of section 626 of the Revenue Act of 1932, shall, on so far as applicable and not inconsistent with the provisions of this title, be applicable in respect to taxes imposed by this title: Provided, That the Secretary of the Treasury is authorized to permit postponement, for a period not exceeding ninety days, of the payment of taxes covered by any return under this title.

(c) In order that the payment of taxes under this title may not impose any immediate undue financial burden upon processors or distributors, any processor or distributor subject to such taxes shall be eligible for loans from the Reconstruction Finance Corporation under section 5 of the Reconstruction Finance Corporation Act.
